Update 3.69.0Fixed a backlog issue with AMS Championship Create the largest military base the world has ever seen! You enter army training camps as a private on your first day and there is no time to be idle as you are put through your steps and a series of training challenges to graduate, ready for army action around the world! Earn money as you progress through army training in your base and then manage the expansion of your camp, where you upgrade the value, speed, capacity, and queue sizes of all training areas. It will be a roller coaster ride, but with no room for lazy or idle cadets, you will love to grow and upgrade your army base. Here are some of the challenges you to complete before you graduate:MOTION YARD - get in shape when you head head practice farm to get your heart rate going with sit-ups, star jumps and more. URBAN WARFARE – be alert when going through SWAT training in house-to-house combat training. JUNGLE WARFARE – get ready for an adventure in the jungle as you get the helicopter out and idle around before you get down the rope into the jungle. ARCTIC WARFARE – wrap up warm as you control your heartbeat, shelter from the snow fall and aim straight into the Arctic tundra. HEAVY Machine Gun – hear the tap, tap, heavy machine gun fire tap while exercising. HEAVY ARTILLERY – boom, boom, boom – it's time for the big guns to unleash hell. CHEMICAL WARFARE – put on your mask, breathe gently and watch your step and make sure you know your way around the misty gas. TANKS - this is for the big boys (and girls), where you wheel your tanks to unleash the big guns to cause maximum damage. Big fallout! DESERT WARFARE – it's hot, warm, warm and the sand is heavy. So you have to run over the wooden planks. You're not racing here, but speed is fun! NAVAL WARFARE – you may need to be a tycoon to afford a boat, but you need to have confidence on the high seas, so get ready to get wet! EXPLOSIVE TRAINING – pull the pin and throw for your life when the grenades fly and the explosions are big! PARATROOPER – your development from a cadet will be needed when you freely fall from your plane and land in the target zone. Tycoons don't have to apply! OBSTACLE COURSE – a real adventure for your idle capitalists out there – you've got the cargo net, monkey bars, muddy seaand rope climbing – a real testament to your fitness. It is the best army idle game you will find and we hope you enjoy the adventure, the action, the feeling of progression and fun.
